

concept

Concept + Design + Prototype + Validate + Manufacture + Distribute = **WMMDC**

design

Our diverse experience includes state-of-the-art equipment and a world-class workforce trained in advanced manufacturing.

prototype

We deliver the high-quality prototypes, design and finished products you need to secure investment, gain regulatory approvals and bring your product to market.

validate

The Consortium can fulfill any need along the product lifecycle—complete support at every stage of development or selected support at specific stages.

We're big enough to do it all, and flexible enough to customize a solution to fit your needs.

manufacture

distribute

WMMDC
West Michigan Medical Device Consortium
